EXPERIENCE

● Creative Content Intern

June 2023 - May 2024 | Colorado Christian University

Participated in numerous marketing campaigns completing photo, video, and post-production tasks. Planned and shot the 2023 summer portfolio of marketing photos for all departments. Assisted the University President and director of Strategic Communication with all creative needs.

● Super Bowl LVII & LVIII

February 2023 & 2024

Reporter and Videographer for Athletes in Action and FSN during two Super Bowl media weeks. Interviewed players, coaches and commentators about their faith. For LVIII, I was the Host for FSN's main package and the trip co-leader.

● Social Media and Marketing Intern

October 2021 - January 2024 | Colorado Christian University

Working with a team, grew the official university Instagram account by 1% each month, gaining over 4,000 followers and account verification. From September 2022 to January 2023, ran the account alone, maintaining the same analytics. Produced photo and video posts, stories, and boosted ads.

● President

January 2022 - May 2024 | CougMedia

Promoted to leadership within a university lab to a paid position. Oversaw a leadership team of seven people and a class of 40+ supporting them in creative content production and marketing. Previously the director of social media and marketing. Additionally, created and published five articles in the magazine, CougLife.

● Resident Assistant

August 2023 - May 2024 | CCU Residence Life

Leading a group of freshman women through their transition into college, while upholding university policy and duties. Included event planning, conflict mediation, and spiritual mentorship.

● Photographer

May 2022 - August 2022 | Camp IdRaHaJe

A full-time summer photography position producing and managing over 1,000 photos a week of children doing various outdoor and indoor activities.
